## Midwest Chapter

Summer 2016

### President's Message Jeff Rozelle, CRB

Fellow ISPE Midwest Chapter Members,

I hope everybody is enjoying the summer and able to take some time away for a little rest and relaxation! It seems like it has absolutely flown by and hard to believe in about another month the kids will be getting ready to start the new school year. On May 19, the ISPE MW Chapter hosted our Annual Tech/Ed Day that brought great educational sessions focusing on:

*Oral Solid Dosage Facility of the Future, Dave DiProspero (CRB)*

*Clean Room Balancing, Commissioning and Certification, Don Hill (AccuTec)*

*Serialization: 2017 and Current Case Studies, Erik Bronander, Adents*

*Managing Design of Single-Use Manufacturing Facility, Jeff Odum (NNE Pharmaplan)*

*Cost Containment for Hazardous API and Finished Products, Tiffany Coleman (Sequence)*

Many thanks to those that presented and attended this conference that also included a Young Professional session engaging up and coming leaders in the industry through a Strengths Finder survey and teambuilding exercise. The event was capped with a great evening watching the St. Louis Cardinals run up the score on the Colorado Rockies. Thanks again to the vendors and attendees who supported this event!

We have some great events coming up for the rest of the year that I encourage you to attend. The next event is a dinner event hosted by Upsher-Smith in Maple Grove, MN that will be focused on "The Pillars of Project Management" presented by Andy Olson, Director of Minneapolis Operations, Integrated Project Management Company, Inc. We look forward to seeing you in Minnesota on July 26th!

ISPE MW Annual Golf Tournament will be held at the beautiful Swope Memorial Golf Course on Thursday, August 25th. So get out there and start stacking your teams now!

We are currently taking board nominations and looking for people that want to contribute to make our Chapter a continued success. Please reach out to any of the board members or me and let us know if you would like to be part of the board nomination and election in September. We are always looking for new ideas and thoughts on how we can improve.

ISPE Annual will be in Atlanta, Georgia this year from September 18 – 21 at the Atlanta Marriott Marquis. For additional details about the Annual Meeting, including hotel information, [VISIT THE ANNUAL MEETING WEBSITE](#). Once again this year, the Midwest Chapter will co-host a networking event with the Great Lakes Chapter so look for details on that in the coming weeks!

I look forward to seeing you at these upcoming events and want to express my gratitude to the Vendors, Board Members and Clients who all make this Chapter a success!

Take care and wear sunscreen!

## Midwest Chapter Regional Event

### *The Pillars of Project Management*

Join the ISPE Midwest Chapter on Tuesday, July 26, for an evening of education, networking, and dinner. Hosted by Upsher-Smith Laboratories, Maple Grove, MN.

Join Andy Olson from Integrated Project Management (IPM) to learn more about:

- \* Risk Management
- \* Scope Change Management
- \* Planning & Critical Path
- \* Communications Management

Both seasoned Project Managers and those fairly new to their role will gain further understanding of the fundamental 'pillars' of project management that results in a consistently excellent customer experience each and every job.

#### October 20

Midwest Chapter YP Thirsty Thursday ~ Kansas City, Missouri

#### November - Date TBA

Regional Event  
Dinner & Plant Tours ~ Omaha, Nebraska

# TechEd Day 2016

On Thursday, May 19th, ISPE Midwest hosted its Annual Tech Ed Day. The event took place in St. Louis this year at the Hilton at the Ballpark. In addition to several great speakers, we had 32 vendors supporting the event and a half day Young Professionals education seminar. After a full day, the group headed across the street to spectacular Busch Stadium to watch the St. Louis Cardinals play the Colorado Rockies.

Events like this aren't possible without the support of our Vendors and our dedicated Board Members. Thank you to everyone who helped pull together this great day.

# 2016 Golf Tournament

Swope Memorial Golf Course

Thursday, August 25th

*6900 Swope Memorial Drive*
